

## My son possessed such a gift of beauty

*St. Birgitta of Sweden, Revelations, VI.1.3*

How handsome he was,  
His mother Mary said to me,  
So wonderful to look at,

That people who were sad,  
Disheartened,  
Would come just to see him

And be comforted,  
Their hearts consoled,  
Gladdened by the sight of him

His hair,  
When I combed it,  
Never tangled
